Proceedings of the Chief Commissioner of Mysore in the General Department, (Judicial),—dated 8th October 1880.

Read Again—

Chief Commissioner's Proceedings No. 2562—J. 49, dated 14 July 1880, intimating that District Magistrates have the power to prohibit the rite of "Sidi' and other barbarous observances.

Letter No. 289, dated 30th September 1880, from Deputy Commissioner, Mysore District, submitting a statement shewing the particulars of the rite of "Sidi" as practised in that District,

No. 4970-78—J. 97, DATED BANGALORE, 7TH OCTOBER 1880.

ORDER.—The practice as reported by the Deputy Commissioner, Mysore District, is a mere imitation of the barbarous, cruel and dangerous rite which used to be practised; it is of course not the wish of the Chief Commissioner to interfere with mere swinging in belts or cradles.

W. J. CUNINGHAM,
Secretary.

To—The Judicial Commissioner.
" District Magistrates.

READ—

Docket No. 399 of the 22nd September last, from the District Magistrate, Bangalore, representing that under the last clause of the instructions given on the reverse of the license (Form V) he cannot take any action against consignees who fail to inform Magistrates of the arrival of consignments.

No. 4979-86—J. 98, DATED BANGALORE, 8TH OCTOBER 1880.

ORDER.—By Rule 10 of the Government of India, Home Department Rules No. 518, dated 6th March 1879, the person importing arms, &c., must give notice within 6 days although that is not noted on the reverse of the license. When the Chief Commissioner grants an import license a copy is always sent to the Magistrate of the District to which the articles are consigned so that he can make enquiry if the intimation is not received. The importer's obligation to give notice is not invalidated because his attention is not drawn to it on the back of the license.

W. J. CUNINGHAM,
Secretary.

To—The District Magistrates.

Proceedings of the Chief Commissioner of Mysore in the General Department, (Judicial),—dated 21st October 1880.

From the Deputy Commissioner, Túmkúr District, To the Secretary to the Chief Commissioner of Mysore, Police Department, No. 198, dated Túmkúr, 15th October 1880.

Adverting to para 13 of the Chief Commissioner's Proceedings No 489—P. 15, dated 24th September 1880, I have the honor to submit herewith the marginally noted statements containing my proposals for the revision of the Police of this District.

No. 1. Statement shewing the disposal of present Inspectors, Sub-Inspectors and Jamadars.
No. 2. List of officials to retire.
„ 3. Present and proposed allocation.
„ 4. Statement of Municipal Police for Túmkúr Town.

2. Statement No. 1 shews the proposed disposal of the present number of Inspectors, Sub-Inspectors and Jamadars. It will be seen from it that out of a total of 13 Inspectors and Sub-Inspectors, two will be retired, one placed in charge of the Head-quarter Office *pro tem*, one appointed as the new Police Head Munshi and another provided with the appointment of a Shekdar on Rs. 20. There would thus be left 8 officers of this class, one for each taluk according to the sanctioned scale.

3. Out of a total of 20 Jamadars now on the establishment I propose to retain 9 which is the strength sanctioned for the District. Out of the remaining eleven Jamadars two must be retired, one dismissed or discharged on gratuity, one reduced to 1st Class Daffedari, one appointed to the Túmkúr Municipality and six provided with other appointments as shewn in detail in the statement in question.

4. Adhering to the principle enunciated in para 12 of the Chief Commissioner's Proceedings under advertence I would not immediately make an appointment on Rs. 100+15, but will retain on his present emoluments the official now discharging the duties of the Head-quarter Office, appointing him Head-quarter Inspector *pro tem* on Rs. 75+15.

5. The staff of Inspectors and Jamadars and officials for the Head-quarter Office in accordance with my proposals is as follows :—

1.	Head-quarter Inspector *pro tem* on Rs. 75+15 ..	Srinivasa Múrti.
2.	1st Class Inspector Rs. 50+10 (with Rs. 25 personal allowance)	Mr. C. Wood.
3.	1st Class Inspector Rs. 50+10 (with Rs. 10 personal allowance)	Mahomed Jaffar.
4.	1st Class Inspector Rs. 50+10	Nagesvaraiya.
5.	2nd Class Inspector Rs. 35+10	Narasimhaiya.
6.	Do do	Channappa.
7.	Do do	Shama Rao.
8.	2nd Class Inspector Rs. 35+10 on probation ..	Narnappa.
9.	Do do	Syed Gallib.

1.	1st Class Jamadar on Rs. 20+6	Murugesa Pille.
2.	Do do	Jayakumaraiya.
3.	Do do	Sripati Rao.
4.	2nd Class Jamadar on Rs. 15+6 .. .	Subboji.
5.	Do do	Hanumanta Rao.
6.	Do do	Mahomed Khan.
7.	Do do	Rama Rao.
8.	Do do	Lakshman Singh.
9.	Do do	Bhimanna.
	2nd Class Jamadar Rs. 15+6 (to be paid for by the Túmkúr Municipality)	Gauskhan.

Office.

1.	Police Head Munshi on Rs. 40 ..	Krishna Rao (Now Sub-Inspector).
2.	Police 2nd Munshi on Rs. 30 ..	Vijayaranga Modaliar (now employed in the District Office on Rs. 30).
3.	Police 3rd Munshi on Rs. 25, there being none on Rs. 20 in the General Assistant's Office ..	Sira Mohadin Alli (now 2nd Munshi in the General Assistant's Office).
4.	Police 4th Munshi on Rs. 15. ..	Narasimha Múrti (now a 2nd Class Jamadar).

6. The enclosed Statement No. 2 gives the details of officials whom it is necessary to retire for the purpose of the Police revision. The only official drawing a large pay in the Revenue Department whom it is proposed to pension is the District Head Accountant Subba Rao. He has long since expressed his willingness to retire on the half pension to which he is entitled and I have long wished to pension him in order to strengthen my Revenue Account Department which at present is in a very inefficient state. In filling up the vacancy created by his retirement I propose to employ Sub-Inspector Nanjunda Rao as a 1st Class Shekdar on Rs. 20 at a place where he would get a good Sayer allowance of Rs. 10 or 15, thus making up Rs. 35 which is his present pay.

7. The other retirements in the Revenue Department are one Taluk Head Gumasta and four Shekdars, the whole of whom are useless and worn out officials and for most of whom a medical certificate of unfitness is I think readily obtainable. Their retirements would enable me to strengthen the Shekdar service which at present is in a very inefficient state in most parts of the District.

8. The enclosed Statement No. 3 gives the actual distribution of the present Force and the proposed allocation of the revised Force the strength of which is specified in the statement appended to the Proceedings under reference.

9 Statement No. 4 shews the strength of Municipal Force for the Túmkúr Town. It is over and above what is sanctioned for the entire District, in accordance with the orders contained in para 10 of the Proceedings under reply. I have allowed a small increase of three Constables for the Municipality, as the present number (12) is found to be inadequate for a town of the size of Túmkúr.

10. In conclusion I beg to state that if the proposals herewith submitted are approved the revised scheme will be introduced without the slightest amount of friction and with scarcely any hardship to individuals ; at the same time the revised Force would be tolerably efficient, certainly not less efficient than at present, and the changes proposed would also materially strengthen the Revenue Account and Executive Departments. As five officials have to be newly appointed as Shekdars, it is highly desirable that their appointment should not be deferred till next December. The important work of revenue collections must commence in December and in November and December the Shekdars must receive the needful instructions for the preliminary census which is to take place in January. Under such circumstances I beg that the Chief Commissioner will be pleased to authorize me to carry out immediately (say by 1st November or so) such of my proposals as may be found necessary to facilitate the work of the ensuing jamabandi and census.

11. I would wait till about the end of the official year to report upon the qualifications of some of the present Amildars for the Police duties which will shortly devolve upon them, as any change among them at this time of the year would be very inconvenient and cause no small amount of confusion.

1	2nd Class Inspector, Rs. 75+15.	Srinivasa Múrti ..	30	6	0	19	2	7	9	8	7	28	He was appointed to his present grade on 22nd April 1878. He is in charge of the Head-quarter Office, the duties of which he discharges satisfactorily. He is a thoroughly respectable and reliable young man. I would appoint him Head-quarter Inspector *pro tem* on his present pay and allowances, *viz*, Rs. 75+15, and utilize the saving of Rs. 25 thus effected to pay a personal allowance of Rs. 25 to Inspector Wood, for whom I cannot now find an appointment on his present pay.
	Do do ..	Mr. Wood.. ..	31	5	9	28	..			5	9	28	He was acting in the Bangalore District on 75+20 since 1st July 1878. He was transferred to this District on Rs. 75+15 on 1st March 1880. He is a good detective and has given satisfaction. I would retain him as 1st Class Inspector on Rs. 50+10, and give him a personal allowance of Rs. 25, until other and more satisfactory provision can be made either for him or Srinivasa Múrti.
	3rd Class Inspector, Rs. 60+15 =75.	Krishna Singh ..	47	18	8	24	8	8	5	27	4	29	He must retire on pension to which he is entitled. He was promoted to present grade on 1st March 1877.

He is one of my best Inspectors and in consideration of his good service in the

												Chiknayakanhalli Taluk. I would retain him as 1st Class Inspector on Rs. 50+10, and would give him a personal allowance of Rs. 10, being the loss of pay he suffers by the change.
5	4th Class Inspector, Rs. 45+15.	Virasami Modaliar ..	47	6	0	20	..			6	0	20	He is a useless man. I have more than once desired that he should be got rid of. He was before employed in the Executive Engineer's Office and was either compelled to resign or voluntarily resigned. After a break of more than one year during which he was unemployed he re-entered service in his present appointment on 11th November 1874, when the Police was re-organized. I would discharge him on gratuity to which alone he is entitled under the rules.
6	Do do ..	Nágesvaraiya ..	35	6	0	20	7	5	16	13	6	6	He was promoted to his present grade on 6th September 1878. He is one of my most active and intelligent Inspectors. He is now on special duty in Her Majesty's Territories with Mr. Namakal Rao in accordance with arrangements made with the Deputy Commissioner of Chitaldroog. I would therefore appoint him 1st Class Inspector on Rs. 50+10=60, being what he now draws. Of all my present 4th Class Inspectors he has the best right to Rs. 50+10, by reason of his standing and qualifications. He returned from special duty yesterday (the 14th October.)

7	4th Class Inspector, Rs. 45+15.		Narasimhaiya	..	27	6	0	11	..		6	0	11	He is one of my good Inspectors ; but it was only in 1878 that he was promoted from Rs. 20 in the Bangalore Police to Rs. 60 in the Hassan District Police. It would therefore be sufficient to appoint him as 2nd Class Inspector on Rs. 35+10=45. He loses Rs. 15 a month by the change.
8	Do	do ..	Channappa	..	36	6	1	1	7	2	0	13	3	1	He is a fairly good Inspector, but I can give him only Rs. 35+10, and he loses Rs. 15 per mensem by the change. He was promoted to his present grade from a Sub-Inspectorship only on the 6th March 1879.
9	Sub-Inspector, Rs. 35+10	..	Narnappa	..	40	6	0	20	15	11	27	22	0	17	On 11th November 1874 he was promoted to his present post of Rs. 35+10 from a Munshi in the Assistant Commissioner's Office on Rs. 25 per month. He is not very active but may do tolerably well as Inspector under an active Amildar. I would therefore retain him in his present emoluments, *i. e.*, 2nd Class Inspector on Rs. 35+10 *on probation.*
10	Do	do	Shama Rao	..	31	6	0	20	..			6	0	20	He was appointed to his present grade on 11th November 1874. He was a Pleader before. He is an active Inspector. He has worked hard in the Honnavalli Taluk. I would retain him as 2nd Class Inspector on Rs. 35+10.
11	Do	do	Syed Gallib	..	44	8	0	7	1	1	8	9	1	15	He was Killedar in the Kandachar Police and was appointed to his present grade on 1st October 1874. He is well meaning, but is not capable of good work as a responsible Police Officer. But owing to the length of his service in his present grade he has a better claim for the 2nd Class Inspector's place than either Nanjunda Rao or Krishna Rao. I would therefore try him as 2nd Class Inspector on Rs. 35+10, in a quiet taluk and under an energetic Amildar.
12	Do	do	Nanjunda Rao	.	34	6	1	0	..			6	1	0	He was promoted to his present grade from a Jamadari only on 27th April 1879, and I would appoint him to a 1st Class Shekdari on Rs. 20 and post him to a place where he would get a good Sayer allowance of Rs. 10 or 15.

14	1st Class Jamadar, Rs. 20+6..	Murgesa Pille ..	32	5 4 22	..	5 4 22	Date of promotion to present grade 1st April 1876. He is one of the best Jamadars in he District, and I would retain him in his present grade.
15	Do do ..	Jayakumaraiya ..	31	6 6 9	..	6 6 9	Date of promotion to present grade 1st April 1875. Do do
16	Do do ..	Subboji	38	6 8 0	4 3 26	10 11 26	Date of promotion to present grade 1st April 1876. Not much of a Writer and may be reduced to 2nd Class.
17	Do do ..	Hanumanta Rao ..	29	3 4 19	9 3 2	12 7 21	Date of promotion to present grade 21st August 1878. May be reduced to 2nd Class.
18	Do do ..	Mahomed Kasim ..	49	25 0 11	..	25 0 11	Promoted to present grade 16th November 1875. I would make him retire.
19	Do do ..	Gaus Khan ..	46	5 7 1	..	5 7 1	Promoted to present grade 10th February 1880. He is a pensioned sepoy and does his work in charge of the Túmkúr Town very well. I will retain him in the town as 2nd Class Jamadar, his pay being defrayed by the Municipality.

20	1st Class Jamadar, Rs. 20+6..		Mahomed Khan ..	39	4	0	2	..	4	0	2	Promoted to present grade 1st February 1880. A good Jamadar, but can be retained only in the 2nd Class.
21	Do	do ..	Venkoba Rao ..	23	2	11	0	..	2	11	0	Promoted to present grade on 21st April 1879. An intelligent young man. I would appoint him a Taluk Head Gumasta on Rs. 20.
22	Do	do ..	Sripati Rao ..	27	1	3	8	0 11 27	2	3	5	He was appointed to his present grade on 23rd August 1879. Before his appointment in the Police as 1st Class Jamadar he held a substantive appointment on Rs. 20 as Writer in the District Revenue Office, and his appointment in the Police brought him no increase of pay. He shews an aptitude for Police work and it is therefore desirable to retain him as 1st Class Jamadar on Rs. 20+6.
23	Do	do ..	Narayan Rao ..	26	1	2	22	..	1	2	22	He was appointed 1st Class Jamadar on 9th September 1879. He can be compelled to retire in accordance with para 11 of the Chief Commissioner's Proceedings sanctioning the new scheme. But he is an intelligent young man and by his past experience he is capable of doing good work. I would therefore provide him with a Shekdar's place.
24	2nd Class Jamadar, Rs. 16+6..		Doddakrishnama Raju ..	41	25	1	0	..	25	1	0	He was promoted to present grade on 1st January 1878. He looks older than 41 years. Weakly. Must retire.
25	Do	do ..	Rama Rao.. ..	32	5	3	0	..	5	3	0	Date of appointment to present grade 21st August 1878. A good Police Officer. I would retain him in the Force but as 2nd Class Jamadar on Rs. 15+6.
26	Do	do ..	Mohadin Husen ..	28	3	7	29	..	3	7	29	Date of appointment to present grade 2nd April 1877. This man is under suspension pending enquiry into a charge of theft of a bullock brought against him and is an unsatisfactory man altogether. Upon the result of the enquiry now going on I would either dismiss him or discharge him on gratuity.
27	Do	do ..	Lakshman Singh ..	34	5	10	24	..	5	10	24	Date of appointment to present grade 21st August 1878. Pretty good. I would retain him in the 2nd Class on Rs. 15+6.
28	Do	do ..	Munisami Naidu ..	31	1	8	15	..	1	8	15	Date of appointment to present grade 16th March 1879. Has very short service and is not much of a Police Officer. I would appoint him a Shekdar on Rs. 10 for which he is probably fit.

I would cancel his appointment to this District in accordance with para 11 of the Chief Commissioner's Proceedings and ask Mr. Hewetson to take him back. If he cannot thus be provided I shall give him a 1st Class Daffedari. He has not given satisfaction here.
33	Do do ..	Narasimha Múrti .	28	2	11	0	..			2	11	0	An intelligent and hardworking official who knows the District Office work very well and gave satisfaction when in the District Office. I would appoint him 4th Police Munshi on Rs. 15 under the new scheme.

1	Krishna Singh ..	47	3rd Class Inspector, Rs. 60 + 15 ..	27—4—29	He has sufficient service to entitle him to half pension and he is not a satisfactory Inspector as can be seen from Mr. Lacey's confidential reports in 1879. His appointment is abolished, the number of Inspectors for the District being reduced.
2	Virasami Modaliar ..	47	4th Class Inspector, Rs. 45 + 15 ..	6—0—20	He is old and inefficient and one whom I had long since reported upon as a perfectly useless man. He was at one time employed in the Executive Engineer's Office and either resigned or was compelled to resign his appointment in that Office. After a break of more than one year he re-entered the Government service in the Police Department when in 1874 it was re-organized. He must retire as the number of Inspectors is reduced.

Proceedings of the Chief Commissioner of Mysore in the General Department, (Judicial),—dated 21st October 1880.

No. 534—Police 20, dated Bangalore, 21st October 1880.

Order.—The proposals by the Deputy Commissioner of Túmkúr have been sent in with most praiseworthy promptitude and it is satisfactory to find that the re-organization of the Police in Túmkúr can be carried out with no loss of efficiency, with so few retirements and so little loss of pay to individuals.

2. The statements which accompany shew very clearly and concisely the disposal of all the officers now in the Police, the retirements to be made and the distribution of the Force. The proposals are accepted including the small increase to the Municipal Police of the Túmkúr Town.

3. It is of paramount importance to introduce the change as soon as possible, so that the important work of the census and jamabandi may not be delayed; therefore the usual three months' notice to the retiring officials who have not already got notice must be dispensed with and the change brought into force on the 1st November, pay being passed to the Shekdars and Taluk Gumasta who retire on compensation pensions for the 3 months following the date on which they receive notice.

Proceedings of the Chief Commissioner of Mysore in the Revenue Department, (Revenue),—dated 1st October 1880.

READ—

Letter No. 318 of the 21st September 1880, from the Deputy Commissioner of the Kadur District.

No. 3815-22—R. 677, DATED BANGALORE, 1ST OCTOBER 1880.

ORDER THEREON.—In the above it is reported that the charges on account of boundary marks which were appropriated by the Shekdar were collected by him direct from the ryots, without the intervention of the Shanbhog and the Patel. This procedure is open to objection. All collections from the ryots, whether on account of the ordinary annual land and other revenue, or miscellaneous items like the one under notice, should be made through the agency of the village officials, and remitted by them to the Taluk Treasury. If such items do not appertain to the annual land and other revenue, the collections should be credited in separate books to be kept by the Shanbhog.

READ—

Letter from the Deputy Commissioner of the Hassan District, No. 294 of the 24th September 1880, requesting instructions as to the course to be pursued during the current year's jamabandi with respect to the arrears due for the famine years.

No. 3823-30—R. 678, DATED BANGALORE, 1ST OCTOBER 1880.

ORDER THEREON.—The orders conveyed in Proceedings Nos. 5418—R. 36, 3981—R. 687 and 4254—R. 751, dated respectively the 15th October 1878, 27th October 1879 and 5th November 1879, authorized the remission of the arrears due for the famine years, and also of the arrears of 1878—79, where the lands even in that year lay waste owing to the impoverished circumstances of the ryots. These instructions provided for all the necessary cases, and if they had been properly carried into effect, there could be now no occasion for the further grant of remissions on account of the above years during the current year's jamabandi settlement.

2 From the Deputy Commissioner's letter, arrears which ought to have been remitted appear to be still retained in the accounts, and this may be the case in other Districts also. The grant of remissions during the current year's jamabandi on account of the arrears of Dhatu, Isvara and Bahudhanya, in accordance with the principles laid down in previous Proceedings above quoted, is sanctioned. Individual lists of the arrears proposed to be written off in the form already laid down should be submitted for sanction.

ORDER THEREON.—The Chief Commissioner does not wish to make any alteration in the present system of levying Municipal octroi on cloths, pending the final disposal of the Municipal Octroi Bill which is now under consideration by the Government of India. Meanwhile, he observes that there is a general consensus of opinion that the rate of 5 per cent on cloths of Indian manufacture (other than those manufactured in the Province which are exempt) is excessive. He therefore directs that the rate, wherever it is now authorized to be levied, should not, in any case, exceed 3 per cent.

SIR,

I am directed by the Chief Commissioner to submit the accompanying statement regarding cotton cultivation and trade in the Province for the year 1879—80.

2. The area cultivated with cotton during the year under report was 19,872 acres, which, as compared with the previous year, shews a decrease of 1,216 acres In the Shimoga and Kadur Districts the decrease is marked, being 2,613 acres, owing to comparatively small extent of land having been cultivated in consequence of the insufficiency of the later rains, while there was an increase of 1,397 acres in the Mysore and Chitaldroog Districts.

3. The out-turn of cleaned cotton during the year amounted to 4,511 cwts., being 25 lbs. per acre against 16 lbs. in the preceding year. The yield of the crop in the Chitaldroog District where the rains were seasonable is reported to have been good.

4. The small produce of the Province is mostly locally consumed, and 2,140 cwts. are returned as having been imported to Bangalore from British Territory.

CENSUS.

No. 4204—MIS. 576, DATED CAMP MYSORE, 21ST OCTOBER 1880.

ORDER.—The Government of India have decided that the Census at the Railway stations and on the Railway lines and premises should be taken by the Railway authorities who will nominate the Enumerators and make other necessary arrangements on the subject.

2. The Census will be taken in accordance with the instructions laid down for Enumerators, copies of which as well as the required number of Schedule Books will be supplied by this Office to the Railway authorities on their application.

3. The population to be enumerated by the Railway authorities will comprise:—

I. Railway employés, their families and servants, resident on the Railway premises.

II. Laborers and others employed on Railway work living for the time within the Railway premises, *i. e.*, taking meals or sleeping within them.

III. Passengers travelling by rail on the night of the Census, including Railway employés, &c., so travelling.

But Railway employés, servants or laborers who work on the line only during the day or sleep there on night duty, but having their residences outside the Railway premises, will not be regarded as part of the Railway population to be enumerated by the

Railway authorities, but will be enumerated at their places of residence by the Enumerators appointed for the same.

4. The preliminary record of the population in the schedules directed in the Instructions need be made only as regards Class I of the Railway population. The enumeration of Classes II and III as well as the revision of the entries as regards Class I should take place on the night of the Final Census and should be made in accordance with the instructions laid down.

5. With regard to the enumeration of Class III or travellers by the Railway, the following special rules are laid down by the Government of India:—

A. The enumeration will take place on the night of the Final Census between 9 P. M. and 6 A. M. the next day. The passengers will be enumerated at the stations where they alight, and after their names and other particulars have been entered in the schedule forms, they should be furnished each with a check-ticket shewing that he has been included in the returns and which he should be told to produce if any one tries to count him again on his leaving the station. If more than one train runs on the line between the hours mentioned, the passengers by each train arriving at each station should be enumerated and scheduled as above. Any passengers who having arrived at the station before 9 P. M. stay or sleep in the station for the night should also be included in the enumeration.

B. Passengers who do not alight before 6 A. M. will be counted in the train at the first considerable station at which the train stops at that hour. A place should be chosen where the train is timed to stop for a sufficient period, which might, if necessary, be slightly prolonged. In the case of passengers of this description, no check-tickets would be necessary as after the counting at 6 A. M. all further enumeration will cease.

C. To avoid counting again persons who have already been counted in their own homes before they got into the train, it will be necessary to enquire of every passenger whose ticket shews that he got into the train after 10 P. M. whether he has already been counted. If he says he has, the answer may be accepted; if he says he has not, he should be entered in the return.

6. When the schedules both for the residents on the Railway premises and passengers are complete, they should be made over to the District Officer concerned who will include them in the Census returns of the village or town in which the Railway station where the enumeration was made is situated. The schedules of passengers in the train prepared under Rule B not belonging to any particular station will be added to the returns of the whole District.

7. In the Mysore Province however there will be no enumeration under rule B The night-train from Madras arrives at Bangalore, the terminal station, at 6—15 A. M. The passengers alighting at Bangalore will be enumerated and properly included in the returns of that Railway station. The night-train from Bangalore starts at 7—45 P M. The passengers, if any, alighting from this train at the other Railway stations in the Province, will be enumerated and scheduled at the respective stations.

PART I.

EDUCATIONAL.

Proceedings of the Chief Commissioner of Coorg, Educational Department, 2nd October 1880.

From the Director of Public Instruction, Mysore and Coorg, To the Secretary to the Chief Commissioner of Coorg, No. 1631, dated Bangalore, 5th August 1880.

I have the honor to forward for the Chief Commissioner's orders an application in original (No. 442 of the 27th July) from the Revd. G. Richter, Inspector of Schools in Coorg, requesting that he may be allowed to retire from the service on the 1st of October next, receiving an invalid pension; in support of which he has attached a medical certificate from the Civil Surgeon at Mercara declaring him entirely unfit for any active service.

2. The Government of India, in Financial Resolution No. 526 of the 5th June 1867, permitted Mr. Richter to count service towards pension from the 1st February 1857. Up to the 1st October next therefore, allowing for the leave enjoyed, he will have rendered service entitling him under Sections 68 and 73 (*a*) of the Code to a pension not exceeding one-half of average emoluments or Rs. 210 a month.

3. In making this calculation, the inspection allowance formerly granted to him, while Principal of the Central School, has been under Section 2 (*b*) excluded, on the ground of its being a local allowance, the Comptroller General having pronounced it to be such in his No. 642 of the 23rd April 1872. Were it taken into account, the pension allowable would be Rs. 20 a month more, and this Mr. Richter is naturally desirous of obtaining. The matter has already formed the subject of a reference to the Government of India, who, in despatch from the Home Department No. 272 of the 2nd July 1873, declined to sanction the recommendation that it might be designated "Pay" or "Personal allowance," in which case it would count. Should the Chief Commissioner approve, the question might be again submitted.

4. In view of Mr. Richter's retirement at the end of next month, it becomes necessary to reconsider the arrangements for the inspection of the schools now under him. The Government of India, in Home Department Resolution No. 67 of the 4th March 1879, have directed that "when the Revd. G. Richter, Inspector of Schools in Coorg, retires, the two appointments of the Head Master of the Central School and Inspector of Schools can be united and given to one officer." The former is now held by Mr. E. Marsden, B. A., whose appointment as Inspector of Schools in Mysore, Second Circle, on Rs. 500 a month, being abolished, he was transferred to Coorg in February 1879 on the same pay, made up of Rs. 250, the sanctioned rate for the Head Master, and Rs. 250, special contribution from Mysore for 18 months, that is to the present month. I beg to propose for the Chief Commissioner's sanction that the contribution should be continued till the 30th of September and that from the 1st of October, the date of Mr. Richter's retirement, Mr. Marsden should be appointed to the united office of Head Master, Central School, and Inspector of Schools in Coorg. The Chief Commissioner being fully aware of Mr. Marsden's claims and qualifications I deem it unnecessary to add any remarks in support of the recommendation.

5. The amount available for distribution under the new arrangements, excluding the Mysore allowance of Rs. 250, is Rs. 500 a month now drawn by the Inspector of Schools, with Rs. 1,000 a year travelling allowance, and Rs. 250 a month, the pay fixed for the Head Master, Central School. Considering Mr. Marsden's position and services, and the absence of any higher Educational appointment in Coorg to which he might hope to rise, I would propose for the Chief Commissioner's favorable consideration that the combined appointment should rank as one of the 4th grade of the Educational service, the pay of which is Rs. 500 rising by 5 equal annual increments to Rs. 750; and that an application should be made to the Supreme Government for Mr. Marsden's admission to that grade. And further, seeing that he has already served for some period on Rs. 500 and that he will now be called on to perform additional duties, taking into account also the diminished prospects before him owing to the abolition of his appointment and others he might have looked forward to in Mysore, I would submit that his pay should now commence at Rs. 600 a month, but that in view of this concession the grant for travelling allowance be withdrawn. Such an arrangement I have reason to believe would be in accordance with Mr. Marsden's own wishes. The first subsequent increment might be payable from 1st April 1882.

6. In regard to the inspection of schools, it will be evident that Mr. Marsden's duties as Head Master will preclude his personally visiting them with any frequency. It will be necessary therefore to re-appoint a Coorg Sub-Deputy Inspector to work under him, as was formerly done when Mr. Richter held the double appointment. For the Sub-Deputy Inspector the pay might be fixed at Rs. 40, rising after 5 years to Rs. 50, the rate formerly sanctioned by the Government of India for the appointment.

7. The Writer on Rs. 15 and peon on Rs. 7, now attached to the Inspector's Office, would continue, under the orders of Mr. Marsden.

Such an arrangement I have reason to believe would be in accordance with Mr. Marsden's own wishes. The first subsequent increment might be payable from 1st April 1882.

6. In regard to the inspection of schools, it will be evident that Mr. Marsden's duties as Head Master will preclude his personally visiting them with any frequency. It will be necessary therefore to re-appoint a Coorg Sub-Deputy Inspector to work under him, as was formerly done when Mr. Richter held the double appointment. For the Sub-Deputy Inspector the pay might be fixed at Rs. 40, rising after 5 years to Rs. 50, the rate formerly sanctioned by the Government of India for the appointment.

7. The Writer on Rs. 15 and peon on Rs. 7, now attached to the Inspector's Office, would continue, under the orders of Mr. Marsden.

Proceedings of the Chief Commissioner of Coorg, Educational Department, 2nd October 1880.

8. The following is a summary of the immediate financial results of the arrangements now proposed so far as the Coorg revenues alone are concerned, the special allowance temporarily granted from Mysore being omitted from the account:—

Present.	Annual.	Proposed.	Annual.
Inspector of Schools	6,000	Inspector of Schools and Head Master,	
Travelling allowances	1,000	Central School	7,200

From the Inspector of Schools, Coorg Circle, To the Director of Public Instruction, Coorg, No. 442, dated Mercara, 27th July 1880.

Having completed 25 years' service as a superior Educational Officer and being thus qualified for a retiring pension on half pay, I have the honor to apply through you to the Chief Commissioner for his kindly granting me the privileged pension from the 1st October 1880 to be payed, as my salary hitherto, in Mercara. I enclose a medical certificate of my being invalidated for further service. A memorandum of my service is in your Office.

Soliciting your kind co-operation in obtaining my pension and thanking you for the assistance.

From the Secretary to the Chief Commissioner of Coorg, To the Secretary to the Government of India, Home, Revenue and Agricultural Department, Simla, No. 654—39, dated Bangalore, 23rd August 1880.

I am directed by the Chief Commissioner to report that Mr. G. Richter, Inspector of Schools in Coorg, has applied for permission to retire on an invalid pension from the 1st of October next, by which date he will have completed service qualifying for pension equal to half his average emoluments.

2. Mr. Richter bases his application on a medical certificate which describes him to be suffering from chronic asthma and hypertrophy of the heart. He has not been declared to be totally and permanently incapacitated for further service of any kind, but Mr. Gordon has no doubt that he will be able to obtain a certificate to that effect on the 1st of October, in which case he will be relieved of his duties, and an application for pension will be prepared in the prescribed form.

3. I am therefore directed to address you with a view to settling the manner in which the vacancy thus caused will be filled up. In letter No. 67, dated 4th March 1879, from the Secretary to the Government of India in the Home Department, the appointment of Mr. Marsden, late Inspector of Schools in Mysore, was sanctioned as Principal of the Mercara Central School, the pay being fixed at Rs. 250 a month with a personal allowance of Rs. 250 a month paid from the revenues of Mysore for 18 months; and it was ordered in the same letter that "when the Revd. G. Richter, Inspector of Schools in Coorg, retires, the two appointments of the Head Master of the Central School and Inspector of Schools can be united and given to one officer."

4. The 18 months for which the above arrangement was sanctioned expires this month, and I am now desired to apply for the sanction of the Government of India (1) to Mr. Marsden continuing to draw his salary at Rs. 500, Rs. 250 of it being paid for from Mysore revenues as before during September and (2) to the appointment of Mr. Marsden as Principal of the Mercara Central School and Inspector of Schools in Coorg from the 1st October.

5. Mr. Marsden as has already been reported in Lieutenant-Colonel Clarke's letter No. 663—41, dated 12th December 1878, is an officer who has taken with distinction the B. A. degree at the Madras University, and who is eminently qualified for the post. The experience of the past 18 months has fully borne out the anticipations which Mr. Gordon then entertained of the benefits to be derived, by the cause of educational progress in Coorg, by his appointment to the office of Head Master at Mercara; and Mr. Gordon conceives himself fortunate in having at hand an officer so well qualified to do justice to the post which it is now sought to create.

6. Considering Mr. Marsden's position and circumstances, the absence of any higher educational appointment in Coorg to which he could hope to rise, and the loss of his prospects in Mysore by the re-organization of the Educational Department there, Mr. Gordon desires me to propose that the appointment of Principal and Inspector of Schools should rank as one of the 4th grade in the Educational service the pay of which rises from Rs. 500 to Rs. 750 by five equal annual instalments. Independently too of the personal considerations attaching to Mr. Marsden himself it is essential, in Mr. Gordon's opinion, to give that rank and pay to the appointment in order to ensure

its being worthily filled. I am therefore to ask that Mr. Marsden be graded in the 4th class of the Educational service, and that his pay from the 1st October next be placed at Rs. 600 a month; the first annual increment to fall due upon the 1st April 1882.

Mr. Marsden's duties in Mercara will necessarily prevent his visiting schools in the interior frequently, and it will be necessary to revive the post of Sub-Deputy Inspector, which was abolished when Mr. Richter was relieved of tuition and appointed as Inspector of Schools, but on the other hand it will not be necessary to give the Inspector any travelling allowance, the arrangement therefore provides for a material annual saving as is more fully shewn in the proposition statement hereto attached. The present annual provision for the Inspector and his travelling allowance is Rs. 7,000 and Rs. 3,000 are provided for the Head Master. In future Rs. 7,200 rising to Rs. 9,000 are proposed for the Principal and Inspector and Rs. 480 for the Sub-Deputy Inspector.

Proceedings of the Chief Commissioner of Coorg, Educational Department, 2nd October 1880.

From the Officiating Secretary to the Government of India, Home, Revenue and Agricultural Department, To the Chief Commissioner of Coorg, Education, No. 325, dated Simla, the 21st September 1880.

I am directed to acknowledge the receipt of your letter No. 654—39, dated the 2 3rd ultimo submitting proposals for filling up the vacancy about to be caused by the retirement on the 1st proximo of the Revd. G. Richter, Inspector of Schools in Coorg.

2. You propose that Mr. Marsden, Principal of the Mercara School, should also be appointed Inspector of Schools in Coorg, that the combined appointment of Principal and Inspector should rank as one in the 4th grade of the Educational service the pay of which rises from Rs. 500 to Rs. 750 per mensem by five annual increments, that Mr. Marsden should be allowed Rs. 600 per mensem from 1st October next receiving his first annual increment on the 1st April 1882, and that the post of Sub-Deputy Inspector of Schools should be revived.

3. In reply, I am to say that the Governor General in Council after giving the fullest consideration to all the circumstances of the case, is of opinion that sufficient grounds have not been shewn for raising the pay of the combined appointment from Rs. 500 (to Rs. 500) rising to Rs. 750, and His Excellency in Council is of opinion that the pay of the appointment should be fixed at Rs. 500 a month. With this exception the proposals made by you are approved.

No. 861—Edl. 19, dated Bangalore, 2nd October 1880.

A separate Sub-Deputy Inspector of Schools is also sanctioned on Rs. 40 per mensem.

2. Mr. Marsden, the present Principal of the Mercara High School, is appointed to the former post, and the arrangement by which the pay of that officer has been disbursed up to the end of August at Rs. 250 from Coorg and a personal allowance of Rs. 250 from Mysore revenues is continued for the month of September.
